SKY-HIGH STUDIO SPACE

Present to your audience from the heart of the financial district with the City of London's iconic skyline as a backdrop.

Whether it be a virtual conference, product launch or meeting, Landing Forty Two is the ideal studio space to deliver engaging digital events while keeping everyone safe. Offering a unique viewpoint 150 metres above the city streets through floor-to-ceiling windows, this blank canvas studio is spacious but intimate, with an abundance of natural daylight creating the perfect broadcasting location.

At Landing Forty Two the health and safety of our staff, clients and guests is paramount to our operation. So please watch our video which highlights our new [Covid-19 preventative measures](#) to help you feel confident and safe when visiting.

CATERING

Landing Forty Two's catering partner, Moving Venue have over 36 years of experience in the events industry and are the original London caterer. With a roster of more than 50 of London's leading venues, Moving Venue are always sure to make their food not just innovative and creative but perfectly suited to any events needs. All of their menus are carefully considered from seasonal ingredients and skilful culinary preparation, to the journey from the kitchen to guest.

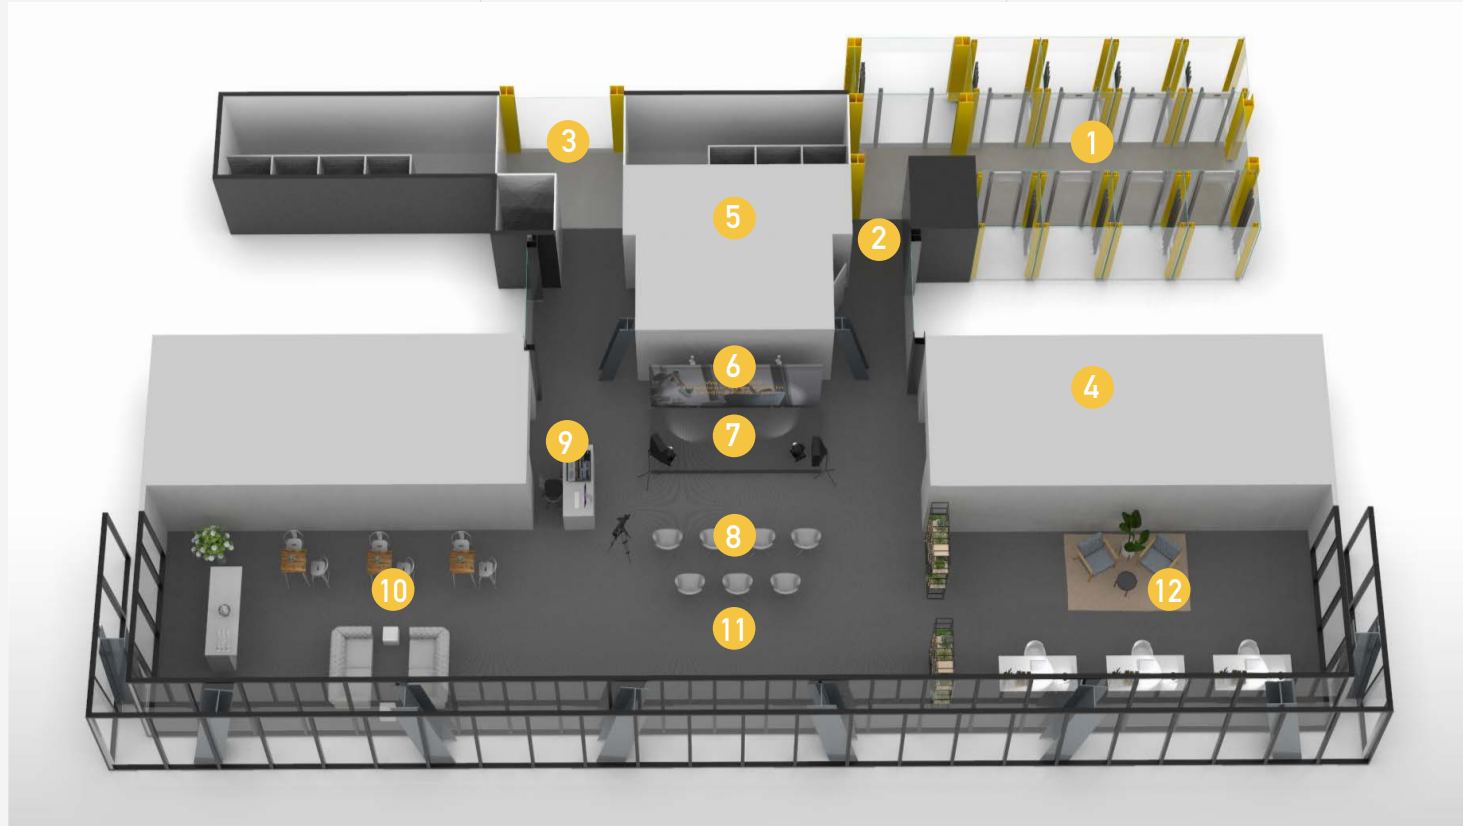

As the events industry is ever changing, Moving Venue, as their name suggest, are always moving with the time and understand the vital need to adapt to current trends and circumstances. With the increase of virtual or hybrid events and the need to be connected with colleagues or guests more important than ever, Moving Venue wants to ensure that their clients are still able to enjoy top quality event catering at the venue or remotely.

With this in mind, Moving Venue has developed delicious 'Moving Menus' that are suitable to be safely served on-site with limited contact or delivered directly to the comfort of guest's homes.
